It's Christmas time,      there's no need to be afraid
              F            G                    C
At Christmas time,        we let in light and we banish shade
            F        G              C                  F
And in our world of plenty we can spread a smile of joy

Throw your arms around the world at Christmas time

But say a prayer,         pray for the other ones

At Christmas time it's hard, but when you're having fun

           Dm         G                    C                F
Where the only water flowing is       The bitter sting of tears

And the Christmas bells that ring there Are the clanging chimes of doom

Well tonight, thank God, it’s them instead of you

And there won't be snow in Africa this Christmastime
     F                     G                 C
The greatest gift they'll get this year is life (oh-oh-oh)
           F            G           C              F
