# Blue Christmas – Elvis Presley

(Billy Hayes and Jay W. Johnson)

```
             E                H7
I'll have a blue Christmas without you
           H7              E
I'll be so blue thinking about you
    E7          E         A                  A7
Decorations of red on a green Christmas tree
Fis7                           H7
Won't be the same dear, if you're not here with me

                    E7                   H7
And the when those blue snowflakes start falling
                  H7                     E
That's when those blue memories start calling
          E7         E                  A              A7
You'll be doing all right, with your Christmas of white
      Fis7                          H7
But I'll have a blue, blue, blue, blue Christmas

E H7 E

          E7         E                  A              A7
You'll be doing all right, with your Christmas of white
      Fis7                          H7
But I'll have a blue, blue, blue, blue Christmas
```
